River adventures for cancer survivors that promote healing and strengthen the mind, body and spirit

**River Discovery** is based in Salmon, Idaho in an extraordinary setting of mountains and rivers deep in the heart of Salmon River country.

**Salmon River Rafting Adventures**  
 Unique programs that offer teenage and adult cancer survivors a life-changing experience rafting and camping on the Salmon River. Be immersed in the beauty and serenity of the river and experience the recuperative benefits of that environment.

Hike, swim, raft and kayak while learning about natural history, canyon history and camping skills. Activities are customized to accommodate any fitness level; no experience required.

Staff includes licensed medical and mental health professionals. River Discovery contracts with a licensed outfitter who provides professional guides and high quality rafting and camping equipment.

★ Program is free; small application fee is required

**Invest in children and adults challenged by cancer!**
